

Steps to fetch a Degree Certificate/Marksheet in Digi locker :

- Go to the [official DigiLocker website](#) or use the mobile app to create a new account or log in with the existing credentials.
- Once logged in, click on the “Search Documents” section on the dashboard.
- Under the "Search Documents" section, go to the Education & Learning category to locate and select Institution name.
- Select the document type (e.g., Degree Certificate / Degree/Diploma Marksheet) and fill in the necessary details such as your Roll number, Registration number (**which is same as Roll no.**), Month of examination, Year of examination and Semester.
- Provide consent by checking the relevant box and then click on “Get Document” tab.
- The certificate will get saved in the Issued Documents section.
- Click on the PDF button to download the digital degree/diploma certificate/marksheet.
