

INDIAN INSTITUTE OF TECHNOLOGY, BOMBAY
TEST OF ENGLISH FOR NEW ENTRANTS

July 22 and 23, 2026

Instructions for Students

Welcome to IIT Bombay! This mandatory test helps us understand your English language skills to provide you with the best support. Please follow these steps for a smooth test experience.

Phase 1: Before the Day of the Test

This is what you need to do *before* you arrive at the test centre.

● **Install the App:**

- Find and install the '**British Council EnglishScore**' app on your mobile phone.
- A detailed [PDF guide](#) and a [video tutorial](#) links are available here for help.

● **Log In and Set Up Your Profile:**

- Open the app and log in using your **official IITB email ID only**.
- If you haven't received your IITB email ID yet, contact your assigned mentor immediately.

Phase 2: On the Test Day (Getting Ready)

What to bring and when to arrive.

● **Your Test Kit (Checklist):**

- **Mobile Phone:** Fully charged.
- **Headphones / Earphones:** Wired or fully charged bluetooth ones. Make sure they work with your phone.
- **Charger / Power Bank:** As a backup.
- **Pen:** At least one working pen.
- **Identification:** Your official (IITB) ID card

● **Reporting Time:**

- Please arrive at the test center **by the scheduled test time**, 9:30am or 2:00 pm as per your allotted test session.

Phase 3: Inside the Examination Hall (Test Procedure)

Follow these steps once you are at the venue.

1. **Find Your Seat:** Locate your assigned seat and settle in.

2. **Mark Your Attendance:** A volunteer will come to you to record your attendance. Please ensure the name you enter on the App exactly matches your name in the attendance sheet with the volunteer.
3. **Prepare Your Phone:** Turn on your **Mobile Data or Wi-Fi**. Internet access is required throughout the test.
4. **Listen Carefully:** Volunteers and Teaching Assistants (TAs) will provide instructions. Pay close attention.
5. **Get the Test Code:** A unique code is required to start the test, which will be shared with everyone just before the test begins.
6. **Enter Your Name Correctly:** In the app, enter your **full name exactly as it appears in official IIT Bombay records**. This is extremely important.
7. **Start the Test:** Enter the code when instructed and begin the test.
8. If you face a technical issue or have a question at any point during the test, **please raise your hand**. A volunteer will come to assist you.

Once the app test is complete, you will have to take a **Written Test** (an answer sheet will be provided).

Please enter your app test scores on your answer sheet as required.

This will be followed by a **Google form** that you have to complete.

Phase 4: Before You Leave (Final Check)

This is the most critical step to ensure your test is recorded correctly.

- **Triple Name Check:** Before submitting, you **MUST** verify that your name is identical in 3 places:
 1. Your name in the **App Profile**.
 2. Your name written on your **Answer Sheet**.
 3. Your name on the **Attendance Sheet**.
- **Submit:** Once you have confirmed that the names match, hand over your question paper to a nearby volunteer.

See you on the test day.
