

UPDATION OF APAAR ID IN STUDENT ASC PORTAL

- **Login to <https://portal.iitb.ac.in/asc/Login> with student login and go to Personal Information tab.**
- **Fill up APAAR Id in the “Provide APAAR ID” field correctly without errors/mistakes. No corrections will be entertained in the APAAR id once saved.**
- **Click on the “Save” option in order to save the information provided.**
- **After saving the APAAR id go back and check whether it will be displayed correctly in the Personal Information.**
- **Credits of those students who have updated the APAAR id correctly in the ASC portal shall only be displayed in the ABC portal.**
- **The name of the student in the APAAR id should match with the Institute records and Aadhar records for successful upload of gradesheet in the ABC portal by the Institute.**
- **If there is any mismatch in the name or APAAR id of the student, then the Institute shall not be able to publish the gradesheet of that student and hence the gradesheet will not get displayed in the ABC portal.**
